

## Have you come home and found:

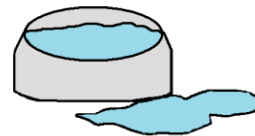

DOG FOOD ON THE FLOOR AND IN THE WATER BOWL?

WATER BOWL OVERTURNED?

OTHER GOODIES IN THE WATER BOWL?

TOYS IN THE WATER BOWL?

**A Dog is A Dog**

**They are our companions**

**They do all of this without thinking**

**Why should an owner be penalized for what a dog is?**

*The Puppy Mill Initiative does just that:*

5 (2) **continuous access** to potable water that is not frozen, and is **free of debris**, feces, algae, and **other contaminants**

**If you own or co-own more than 10 female dogs you would be found in violation of the law if your dog messed up their water with toys, sticks, leaves, dog food or any other number of things**

**Is this really what we want our government to be concerned with?**

**OUR DOG'S DRINKING WATER AND WHAT THE DOG DOES WITH IT?**

**Don't sign the Puppy Mill Initiative**
